Western Isles Integration Joint Board 2016/17 Annual Audit Report

1. International Standard on Auditing (UK and Ireland) 260 (ISA 260) requires auditors to report specific matters arising from the audit of the financial statements to those charged with governance of a body in sufficient time to enable appropriate action. We are drawing to your attention matters for your consideration before the financial statements are approved and certified. The section headed "Significant findings" in the attached annual audit report advises that we have no issues to report to you. This report will be issued in final form after the financial statements have been certified
2. Our work on the financial statements is now substantially complete. Subject to the satisfactory conclusion of any outstanding matters and receipt of a revised set of financial statements for final review, we anticipate being able to issue an unqualified auditor's report on 21 September (the proposed report is attached at Appendix A). There are no anticipated modifications to the audit report.
3. In presenting this report to the Integration Joint Board we seek confirmation from those charged with governance of any instances of any actual, suspected or alleged fraud; any subsequent events that have occurred since the date of the financial statements; or material non-compliance with laws and regulations affecting the entity that should be brought to our attention.
4. We are required to report to those charged with governance all unadjusted misstatements which we have identified during the course of our audit, other than those of a trivial nature and request that these misstatements be corrected. We have no unadjusted misstatements to bring to your attention.
5. As part of the completion of our audit we seek written assurances from the Accountable Officer on aspects of the financial statements and judgements and estimates made. A draft letter of representation under ISA580 is attached at [Appendix B](#). This should be signed and returned by the Accountable Officer with the signed financial statements prior to the independent auditor's opinion being certified.

APPENDIX A: Proposed Independent Auditor's Report

Independent auditor's report to the members of Western Isles Integration Joint Board and the Accounts Commission

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice approved by the Accounts Commission, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

Report on the audit of the financial statements

Opinion on financial statements

I certify that I have audited the financial statements in the annual accounts of Western Isles Integration Joint Board for the year ended 31 March 2017 under Part VII of the Local Government (Scotland) Act 1973. The financial statements comprise the Movement in Reserves Statement, Comprehensive Income and Expenditure Statement, Balance Sheet and notes to the accounts, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union, and as interpreted and adapted by the Code of Practice on Local Authority Accounting in the United Kingdom 2016/17 (the 2016/17 Code).

In my opinion the accompanying financial statements:

- give a true and fair view in accordance with applicable law and the 2016/17 Code of the state of affairs of the Western Isles Integration Joint Board as at 31 March 2017 and of its surplus on the provision of services for the year then ended;
- have been properly prepared in accordance with IFRSs as adopted by the European Union, as interpreted and adapted by the 2016/17 Code; and
- have been prepared in accordance with the requirements of the Local Government (Scotland) Act 1973, The Local Authority Accounts (Scotland) Regulations 2014, and the Local Government in Scotland Act 2003.

Basis of opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK and Ireland (ISAs (UK&I)). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Western Isles Integration Joint Board in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standards for Auditors, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the Chief Financial Officer for the financial statements

As explained more fully in the Statement of Responsibilities, the Chief Financial Officer is responsible for the preparation of financial statements that give a true and fair view in accordance with the financial reporting framework, and for such internal control as the Chief Financial Officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

My responsibility is to audit and express an opinion on the financial statements in accordance with applicable legal requirements and ISAs (UK&I) as required by the Code of Audit Practice approved by the Accounts Commission. Those standards require me to comply with the Financial Reporting Council's Ethical Standards for Auditors. An audit involves obtaining evidence about the amounts and

disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the circumstances of the council and its group and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Chief Financial Officer and the overall presentation of the financial statements.

My objectives are to achieve reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK&I) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Other information in the annual accounts

The Chief Financial Officer is responsible for the other information in the annual accounts. The other information comprises the information other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on matters prescribed by the Accounts Commission to the extent explicitly stated later in this report.

In connection with my audit of the financial statements in accordance with ISAs (UK&I), my responsibility is to read all the financial and non-financial information in the annual accounts to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of performing the audit. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my report.

Report on other requirements

Opinions on other prescribed matters

I am required by the Accounts Commission to express an opinion on the following matters.

In my opinion, the auditable part of the Remuneration Report has been properly prepared in accordance with The Local Authority Accounts (Scotland) Regulations 2014.

In my opinion, based on the work undertaken in the course of the audit

- the information given in the Management Commentary for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with statutory guidance issued under the Local Government in Scotland Act 2003; and
- the information given in the Annual Governance Statement of Assurance for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with the Delivering Good Governance in Local Government: Framework (2016).

Matters on which I am required to report by exception

I am required by the Accounts Commission to report to you if, in my opinion:

- adequate accounting records have not been kept; or
- the financial statements and the auditable part of the Remuneration Report are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit; or
- there has been a failure to achieve a prescribed financial objective.

I have nothing to report in respect of these matters.
