Locality Planning Update

Locality Planning

Five Locality Planning Groups have been established to:

- Oversee the development of integrated service planning at a locality level;
- Develop a locality plan, which will set out how services will evolve to meet the needs of the changing population;
- Deliver the IJB Strategic Plan and ensure that there is a strong connection between the planning done at locality and IJB level;

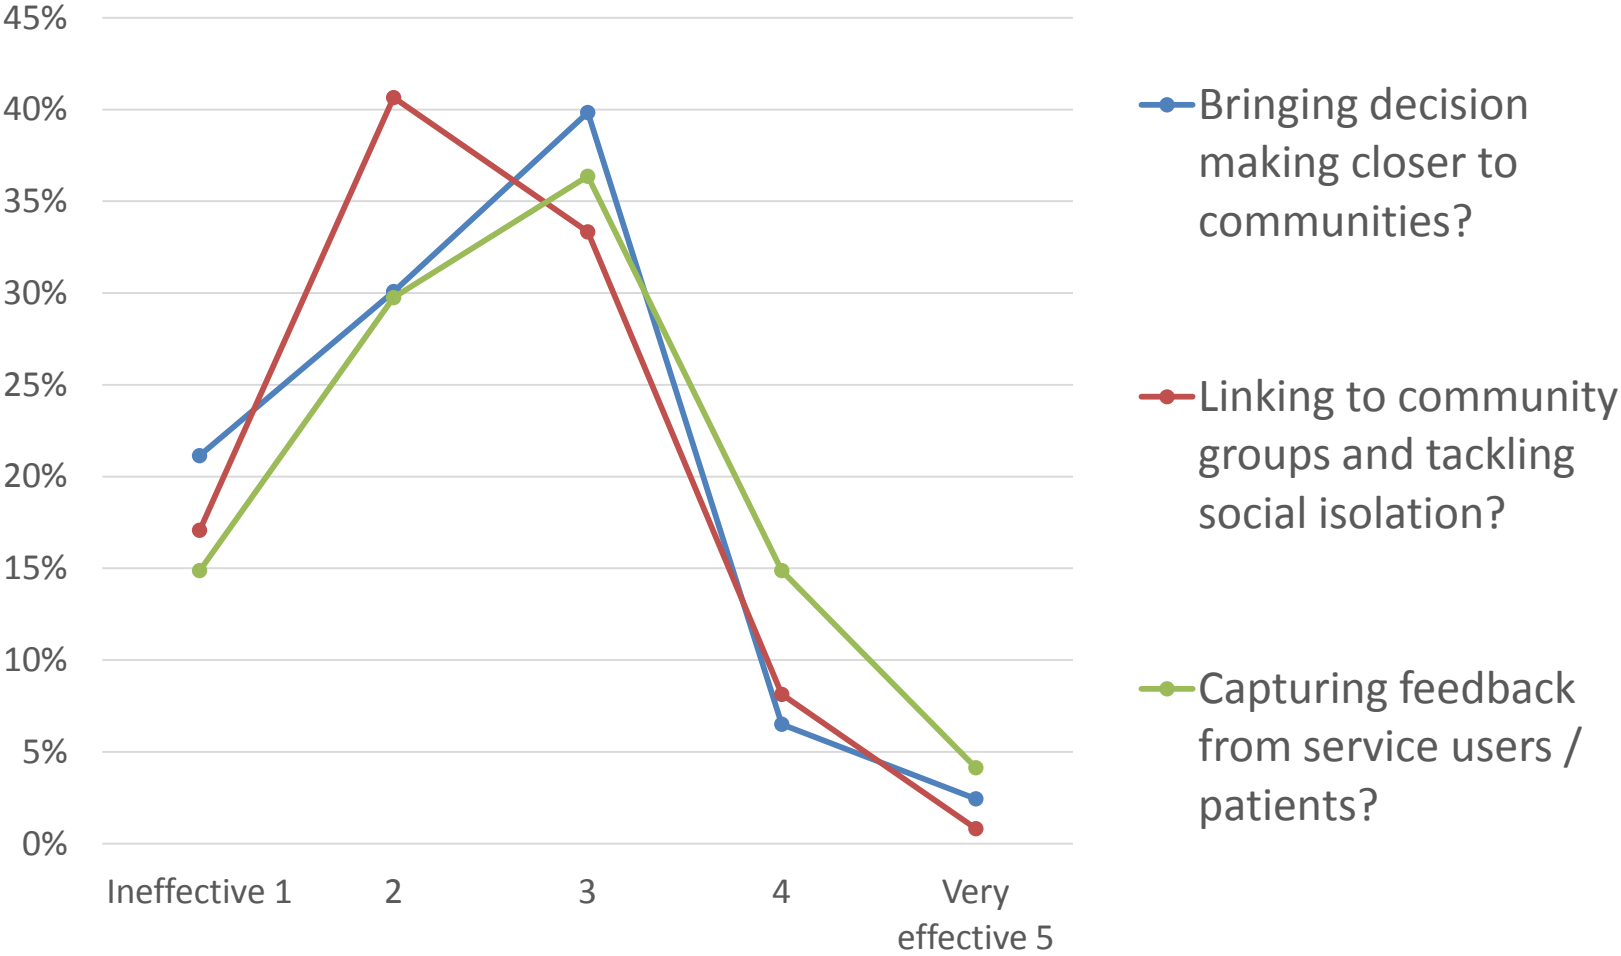

Successes and Challenges

Early successes and challenges:

- Effective mix of community, management and professional representatives;
- Growing connections with community trusts;
- Administration challenges in some areas;
- Managing expectation / delivering real leverage
